

The Windsor Broker's Business Centre

New high-tech business centre opens in Limassol

THE NEW high-tech Windsor Broker's Business Centre in Limassol has officially been inaugurated in the presence of Minister of Finance Michalis Sarris.

"It is really a privilege to be at the receiving end of such interest from international companies - companies that have chosen to locate in Cyprus and to engage in the services sector, an area towards which the Cyprus economy has been successfully diversifying," said Sarris.

"Today marks a new chapter in the 19 years history of Windsor as we set significant

foundations for the next phase of our Company's development. Windsor is no longer a regional player in its fields. It is now an internationally recognized financial institution," said Johny Abulaitah, the company's Managing Director.

Windsor Brokers Ltd is an International Financial Investment Services firm, offering its services in 12 languages, 24 hours around the clock, covering a wide range of financial instruments including Foreign Exchange, Stock Indices, Precious Metals, Futures (OTC), CFDs and other Commodities.

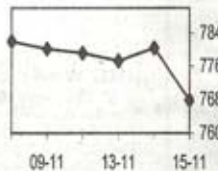

Rates

These Central Bank rates for Telegraphic Transfer transactions (spot deals) apply to yesterday, but provide a good guide to today's value against the Cyprus Pound.
